

Solution overview for PAYMENT PORTAL

PAYMENTS & ACCOUNT INFORMATION HD™ 2.0 | Payment Portal®

IMPACT® HD™ 2.0 | Payment Portal® Account Management

HD™ 2.0 | Payment Portal® is a one-of-a-kind online consumer offering that allows all your consumers to make payments and access their information on a self-serving basis.

Each module and application within the portal is fully secured with extensive security and encryption measures to ensure all data is protected no matter where it is being accessed from. Consumers can perform numerous tasks within the portal's user-friendly interface to make business smoother for everyone involved.
